

MCPOLIN OFFICE UPDATES
WEDNESDAY, JANUARY 30, 2019

Dear Parents,

Welcome to the last Wednesday of January! We thank everyone for supporting our school by participating in Parent/Teacher Conferences and so much more. One of our school's greatest strengths is the support and on-going efforts mutually shared by the school and our community to best support our students. Here are examples of who we are:

- **Classroom Dojo**: The use of Classroom Dojo just keeps growing. This is a great way to send messages back and forth between the school and home. If you don't know about this fun tool, ask your teacher about it.
- Parents dropping off and having breakfast and/or lunch with students on a daily basis.
- **MOVIE NIGHT!**
 - Last Friday nearly 100 students attending movie night in the gym. We also had an immigration attorney here discussing different issues with our families.
 - **Thanks to the PTO and especially, Keren and John Mazanec, Laura and Pablo Rojas, Mandy, Harrison, and Sydney Forbes.** There were others, but these individuals are the reason we had such a fund community/school activity.
- **Currently, the PTO and a lot of parent volunteers have been preparing and delivering lunches for the teachers during this busy Parent/Teacher Conference week.**

If I have not made the message clear enough I will be more direct. Every effort to participate in your school and your student's learning comes back to you 10 times more. Your children see you, your community members see you, and all of us at school see you. We are a school that prides itself in being inclusive, welcoming, and having a positive safe relationship with all community members. Whatever you can do – come join the fun!

As always, please contact your teachers or the front office with any questions, concerns, or clarifications.

Sincerely,
Bob Edmiston
