Dear Parent/Guardian:

Your 2nd grade student recently participated in a cognitive ability screener. This information is used for informational purposes in connection with our Park City School District PACE (Program for Academic Talent and Enrichment) Program. The Park City School District PACE program is a school wide enrichment model that offers enrichment service to all students in a leveled service model. Please see the district website for more information on the leveled service model. Students who met eligibility for additional testing were mailed a separate letter.

If you have any questions or would like to obtain a copy of your child's scores, please contact Gina Mason at (435) 645-5600 ext. 3083 or gmason@pcschools.us.

Sincerely,

Gina Mason
