

**MCPOLIN OFFICE UPDATES**  
WEDNESDAY, FEBRUARY 13<sup>th</sup>, 2019

Dear Parents,

As we enter the last days of February and the President's Day/Ski Week break, there is a lot going on and more than a few celebrations to share:

**Upcoming activities:**

- **Wednesday, February 27<sup>th</sup>, 5:30-7:00pm - Title One sponsored "Literacy Night"**
  - Teachers and a representative from the Park City Library will be here to share a variety of activities for readers of all ages and levels of ability. Come and enjoy the activity and then stay for an easy pizza dinner for all.
- **Friday, March 1<sup>st</sup> - a full-on "Read-a-Palooza" including:**
  - 8:30-10:00am - Our monthly Motivated Moose assembly and Read-a-Thon Kick off assembly
  - 10:00-11:30am - Our school and district wide Dr. Seuss Birthday Activities supported by the community, our PTO and the Park City Education Foundation (PCEF).

**Celebrations:**

- Congratulations to our Science Fair participants and winners. Only with the help of Lauren Strachan, our PTO, teachers, and YOU- the parents could we enjoy such a successful activity. The overall 5<sup>th</sup> grade winners moving on the Salt Lake Regional contest are:
  - Evan Hadfield & Finn Linder: What causes an avalanche
  - Nathalia Hurtado: Balloon Morphing--how gases contract and expand
  - Daxelle Marshal & Keke Allison: What is the best drinking water filter
  - Jacqueline Kent & Samantha Sheridan: Electronic Time
  - Shiva Minter & Sonja Preston: Tree Trials--alternative sources of paper
- Congratulations to our school choir for their tremendous performance last Tuesday, February 12<sup>th</sup> on the Eccles Stage with the choirs from all the elementary schools.
  - A special thanks to our own Music Specialist Teacher, Mrs. Hannah Mayberry and our wonderful parent volunteer, Mr. Pablo Rojas.

Lastly, we really appreciate everyone who participated in the recent Parent/Teacher Conferences. It goes without saying that we couldn't do it without all of our parents. However, this activity given our school-wide Dual Language Program touches every inch and corner of the school and the surrounding community. I trust the effort to participate was more than worthwhile once you completed your meeting. Also, we can't forget to give a shout out to our amazing PTO for the delicious lunches provided for our staff!

Have a terrific break next week! We'll see you back here on Monday, February 25<sup>th</sup>.

Sincerely,  
Bob Edmiston
