Spring Break - April 8th-12th
NO school

Dear caregivers and parents,

A happy April to one and all! As we prepare for the "Spring Break" next week and the last two months of the school year, I wanted to reaffirm and confirm our expectations and agreements.

- **School and learning starts at 8:15am sharp!**

We serve breakfast starting at 7:30am everyday.

Simple rule – if you are not in the parking lot by 8:00 – you are probably late.

- **Attendance in general – students who are in school more - learn more!**

- **Communication** - if you haven't had a direct conversation, a shared e-mail, or phone call with your teachers lately – it has been too long. Maintaining a safe and on-going relationship with your teachers and school could not be more important. From allergies, health issues, schoolwork, and/or social emotional needs, the more we talk and share the better for our students.

If we are managing just these three activities, with confidence I can share that students will be enjoying school more, learning more, and better preparing themselves to be life-long learners.

Before we leave for Spring Break here are reminders of important upcoming school activities and events:

- **DLI informational Night for all parents –Thursday, April 18th from 5:30-7:00pm.** Our goal is to offer information about the district DLI program and other information that more directly involves the McPolin Elementary DLI program.
- **Kindergarten Registration Night – Tuesday, April 23rd from 5:30-7:00pm.** All incoming kindergarten families are expected to attend to start the process of joining the McPolin Elementary family. See you then.
- **STATE "RISE" assessment for all 3rd-5th graders – April 28th and will continue through Friday, May 10th.** All 4th and 5th grade students are assessed in Math, Science, and Language Arts. 3rd graders are assessed in Math and Language Arts only.

Be safe and have a WONDERFUL "Spring Break" next week!

Sincerely,
Bob Edmiston

Important Upcoming Dates:

- **Thurs., April 18th, 5:30-7:00pm - School-Wide Dual Language Immersion Meeting**
