

**MCPOLIN OFFICE UPDATES**  
WEDNESDAY, APRIL 24, 2019

Dear caregivers and parents,

WOW! Already the last full week of April – that was almost as fast as our entire year seems to have gone by. Each day seems an eternity, but then all of the sudden the end of the year is hear in the blink of an eye. Where does the time go?

With that shared – one more encouragement to have everyone join us tomorrow night for the “Parent DLI Information” night. As a reminder, here is the information:

---

**Dual Immersion Information Night**  
**Thursday, April 25<sup>th</sup>**

**5:30 pm**

*Did you know the subjects taught in the target language switch in 4<sup>th</sup> grade?*

*Did you know the course requirements for DLI students are different at Ecker Hill and Treasure Mountain?*

*Did you know you can continue with DLI options through 12<sup>th</sup> grade?*

**Please join us for an information evening to learn about dual immersion at McPolin and what comes for your DLI student after leaving McPolin. You will also hear about the benefits of learning a second language for your child's growth in and out of school.**

---

Otherwise, there continues to be plenty of learning and excitement going on throughout the school. This past Friday the first grade had the students do a “Career Day” all in Spanish. The students shared information about themselves and future careers. Later, with the help of family members and volunteers, students participated in engaging reading activities to help encourage the importance of reading. More importantly everyone left with a smile - reading is fun!

As we enter May, the last full month of the school year, staying involved and informed could not be more important. Do not hesitate to contact the school with questions, concerns or clarifications.

Sincerely

Bob Edmiston

**Important Upcoming Dates:**

- **DUAL IMMERSION LANGUAGE NIGHT – Thursday, April 25<sup>th</sup> 5:30-7:00pm**
