

MCPOLIN OFFICE UPDATES
WEDNESDAY, MARCH 27, 2019

Dear caregivers and parents,

Hi everyone! I hope you all enjoyed the performance at the Eccles Center last Friday. A heartfelt thank you to everyone who helped make it happen, including Mrs. Mayberry and Mr. Briggs and our parent and PTO support, especially Laura and Pablo Rojas. Most importantly, congratulations to all of our students. The “Sound of Music” has never sounded so good. Simply Amazing!!

Moving forward we are less than two weeks away from Spring Break. Teachers and students continue to work hard as we prepare for the end of year assessments and activities. Here is a look at what is coming up as soon as we return from Spring Break.

- **DLI informational Night for Parents: Thursday, April 18th from 5:30-7:00pm.** Our goal is to offer information about the district DLI program and other information that more directly involves the McPolin Elementary DLI program.
- **Kindergarten Registration Night: Tuesday, April 23rd from 5:30-7:00pm.** All incoming kindergarten families are expected to attend so they can start the registration process.
- **State“RISE” assessment for all 3rd-5th graders** Testing starts on Monday, April 28th and will continue through Friday, May 10th. All 4th and 5th grade students are assessed in Math, Science, and Language Arts. 3rd graders are assessed in Math and Language Arts only.
 - Teachers will be sharing additional information with families as needed.

There are more end-of-the-year assessments that will be completed by the students in all grades during the month of May. All of this data is then used to help us continue to improve our work to best support all students in our school-wide DLI school.

We have lots to do before the 2018-19 school year comes to an end. More than ever, communicating with teachers, the school, and staying informed is a priority. When we all work together, students benefit the most.

Sincerely,
Bob Edmiston

Important Upcoming Dates:

- **Motivated Moose/RWE (R.unning W.ith E.d) Assembly, Friday March 29th, 8:30-9:15am**
- **McPolin 5th grade debate, Friday, March 29th, 12:30-2:30pm**
