

MCPOLIN OFFICE UPDATES
WEDNESDAY, MAY 8, 2019

Dear caregivers and parents,

What an amazing turn out for the first “Multi-Cultural Festival” here at McPolin! The students dancing, the costumes, the weather and of course the food were all amazing. Cannot thank our amazing outreach coordinator, Betsy Moscoso, our teachers, our PTO, and most of all our families and students for making this activity so successful.

All week we are celebrating teacher appreciation week. We are recognizing the commitment, hard work, and love that our teachers bring to school each and every day. The talent and the relentless effort of our McPolin Teachers is undeniable. Thanks will never be enough!

IMPORTANT REMINDER: We are looking for new members to join the School Community Council. Please contact the front office with interest. This committee is such an important part of our school, it also helps parents get involved and learn more about the inner workings.

RISE testing continues through next Friday for 3rd-5th grades. Please contact your teachers with any questions or clarifications.

Sincerely,
Bob Edmiston
