

MCPOLIN OFFICE UPDATES
WEDNESDAY, OCTOBER 2, 2019

Dear caregivers and parents,

If the date on the calendar has not made it clear, the wonderful weather and collage of colors on the hills have confirmed fall is here. We all need to share a great "Thanks!" to our teachers/staff and students for an amazing first full month of the 2019-20 school year. It is undeniable that our success would not be possible without our parents and surrounding community support.

- **FALL FESTIVAL - AMAZING!** "Thank you!" to everyone for participating and making last Friday a wonderful activity and celebration. We all need to thank the many volunteers and specifically TEAM ROJAS (Pablo and Laura) and Leslie Reese. Like an iceberg, what looked so easy from the surface took hours and hours and hours of work! A shout out to our Shannon Magnotta for her amazing decorations!
- **Parent/Teacher Conferences!!!** These visits could not be more important for all of us. As we have shared repeatedly, building a safe, easy relationship between the home and school could not be more important! These meetings are an opportunity to create such a relationship. As always we need to be a team: T.ogether E.veryone A.chieves M.ore.
- **REAL SLC swag raffle/opportunity drawing:** The Motivated Moose assembly with Sebastian "Bofo" Saucedo could not have been more exciting. Sebastian was amazing including bringing autographed jerseys and soccer balls. REMIND ALL STUDENTS to complete the raffle/opportunity tickets to get a chance to bring home as autographed jersey or soccer ball. Sebastian was direct in making sure all he brought was for the students, including the SLC REAL organization offered \$250 to our teachers to help with all the supplies and more they tend to purchase on their own for the benefit of our/your students.
- **EVA - (E.lementary V.isual A.rt).** We would not have quality art instruction for all students were it not for the collaboration among the PCSD, PCEF, and the Kimball Art Center. During this "Beat the Call" time of year, I wanted to encourage our parents to remember the EVA program and all it offers for our students and school.

WOW!! That was a lot of important information. As always, if you ever have questions, concerns, or clarifications, contact **YOUR TEACHER** or stop by the front office. Only by working together will we forever be the "Best Elementary School **IN** Park City."

Important Dates:

- Parent/Teacher Confs. CONTINUE thru next week, Sept. 30th and will continue through Fri., Oct. 11th.
- Mon., Oct. 14th 8:30-9:00am "Author Assembly" with Shane Burcaw

Sincerely,
Bob Edmiston
