WEDNESDAY, JANUARY 8, 2020

Dear caregivers and parents,

Welcome back and Welcome to a new decade! Our first couple of days has been outstanding. We have welcomed a handful of new families to our McPolin community for the New Year. In an effort to welcome our new community members, I will use this update to review important information that helps all of us best support the students and each other:

### **Communication?**

- Grade level "Weekly Notes" sent home on Monday or Friday
- Office Updates" sent home on weekly on Wednesdays
- Classroom Dojo
- Moosemail, MPES Facebook, and the school website

Whenever you have questions, concerns, or need for clarification, always start by contacting the classroom teachers. You can do so with e-mail or a phone call. Also, our teachers are flexible with using before, after, or lunchtimes to schedule meetings.

### **Attendance**

- School starts at 8:15am sharp; if you are not in the parking lot by 8:00 you are probably late.

This is such an exciting time of the year; there is a lot to do and to get done. We will be starting our MOY (Middle Of Year) testing shortly.
