

**MCPOLIN OFFICE UPDATES**  
WEDNESDAY, MARCH 4<sup>th</sup>, 2020

Dear caregivers and parents,

Happy March everyone! We are already in March, only about three months left of the 2019-2020 school year. We have so much more to do and learn.

As stated in last week's note, the marking period ended this past Friday. All four of the elementary schools in Park City will be distributing report cards on Tuesday, March 17<sup>th</sup>. There is only one trimester left before the end of the school year. Be sure to contact your teachers with questions or clarifications once you receive your student's report card. We want to ensure the school and home are properly communicating to support student learning.

We encourage all of our families to get involved in the Read-a-Thon bingo activity, taking place this week. Be sure to check with your student if you have not seen the bingo sheets that were sent home last Friday. This is a great opportunity to read together as a family and see how well your students are reading. When parents and schools work together our success is undeniable! Friday we will celebrate all the reading accomplished with fun, prizes and the Silly Circus put on by our fabulous teachers.

**Also on Friday, our PTO is hosting the annual Family Dance featuring the band, Shrink the Giant, they will be here performing live. Please join us, the fun starts at 5:00pm and goes until 7:00pm.**

In reference to the Coronavirus, we are following all of the Park City School District recommendations. You can visit the PCSD website for detailed information. As always, we are encouraging lots of hand washing and keeping students home when they are ill.

As always, please contact your teachers or the school with any questions or clarifications.

Sincerely,  
Bob Edmiston
