

McPolin Elementary School Weekly Office Updates
Wednesday, June 2nd, 2021

Dear parents and caregivers,

Here we are, the last day of an amazing journey that started on March 13, 2020. There are not enough thank you and appreciations to go around. I will share our appreciation of the collective efforts to make our year safe, inclusive, and successful. All for One and One for ALL works!

We have all never worked so hard this year. Never before has our school community journeyed through so much adversity, uncertainty, and stress. The pandemic demanded our best and that is exactly what everyone gave, day after day. I believe and have repeated all too often this year, nothing worth doing is easy and there are always positive outcomes from hard work.

As we prepare to leave, I trust we will all use some time to reflect and celebrate our accomplishments this year. Through it all, we stuck together, we supported one another, and I know that when we come together and use our differences as strengths, everything is possible. Thanks to everyone for making this COVID 2020-21 school year our best year ever!

To confirm, tomorrow is our last day and is a half-day schedule with release at 12:30pm. There is no after school program on the last day of school. We wish everyone a very safe and wonderful summer. See you in August.

Sincerely,
Bob Edmiston

Upcoming events:

- **The LAST day of the 2020-2021 Covid school year, Thursday, June 3rd at 12:30pm**
- **CELEBRATE!**
- **STAY SAFE!**
