

**MCPOLIN OFFICE UPDATES**  
Wednesday, October 13<sup>th</sup>, 2021

Dear Parents and caregivers,

We have made it to Fall Break! A rest and opportunity to recharge that is well deserved. Thanks to everyone for helping to accomplish 37 perfect consecutive days of in-person learning and counting.

We need to share our enthusiastic appreciation for the amazing PTO volunteers who put together the kindergarten baggie book program. Thank you to Megan Coates, Amanda Davis, Jennifer Hovermale, and Kelly Urankar, the program is up and running and everyone is loving it. With the support of our Interventionist team and the Kindergarten staff, every kindergarten student will be bringing home books to practice reading at home. This program is free to all families and only accomplished through a collaboration among the individuals mentioned above. If you have any questions about the program don't hesitate to ask your teachers.

We would like to also thank the PTO and volunteers who brought in catered lunches during the recent Parent/Teachers Conferences. The lunches were delicious and very much appreciated by all of our hard working staff. Additionally, we trust the meetings were valuable for our families. I will repeat there is no replacing a safe and trusting relationship among the school, our families, and students. When we all work together, students succeed.

Moving to an important topic of interest to us all. The following dates and locations are where you can go to get accurate information about the upcoming Master Facilities Plan that will be on the ballot:

- **October 12 Trailside Elementary Zoom meeting 6-7pm**
